**Profile**

Danna has experience in commercial law, contracting, and corporate legal management. She has supported companies in contract drafting and review, legal research, regulatory verification, and compliance initiatives. She has also participated in matters related to immigration law and document management. Her background includes assisting legal teams in sectors such as airport operations and infrastructure, with an emphasis on contracting and corporate processes. She was part of the Labor Law and Work Research Group at Universidad de los Andes, where she focused on contemporary labor issues and compliance.

*Studies:*

- Law, Universidad de los Andes

She speaks Spanish and English.
