Profile

Attorney specialized in Commercial Law, with solid experience in the structuring and negotiation of corporate financing transactions, asset-backed funding schemes, fiduciary vehicles, and credit agreements with both domestic and foreign lenders. Her practice includes advising on transactions involving portfolio transfers, secured lending, true sale structures, security packages, cash-flow administration (waterfall mechanics), and the monitoring and compliance of financial covenants. She provides comprehensive legal counsel to financial institutions, credit companies, insurers, and investment funds, supporting the full lifecycle of financing transactions—from legal due diligence and documentation to regulatory compliance, contractual management, and corporate governance. Her work combines technical precision with a strategic, risk-oriented approach, ensuring effective negotiation, closing, and execution of complex financial structures.

Studies:

- Specialized in Commercial Law, Universidad del Rosario
- Law, Universidad Externado de Colombia

She speaks Spanish and English.
