Calle 67, 7-35

110231 Bogotá

Profile

Maria Paula has skills in legal research, regulatory and constitutional analysis, as well as in structuring legal strategies for diverse organizations, approaching matters from a comprehensive and cross-cutting perspective of the legal system. Her international training includes studies at Universidad Complutense de Madrid and an internship in Canada, experiences that strengthened her focus on comparative law, her understanding of constitutional and regulatory systems, and her ability to work in diverse legal and cultural contexts.

Studies:

- National Arbitration Diploma, Chamber of Commerce of Bogotá
- Diploma in AI and law, Lund University
- Jurisprudence, Universidad del Rosario

She speaks Spanish, English, French and Mandarin Chinese.
