Calle 67, 7-35  
110231 Bogotá

### Profile

Catalina has over six years of experience in financial and corporate law, with a focus on capital markets, private equity, and financial regulation. She has advised on the structuring and management of investment funds and private equity funds, fiduciary operations, local and international issuances, tender offers, derivatives, and investment rounds. She also has experience in joint ventures, corporate governance, and regulatory compliance. Her practice focuses on supporting complex transactions and designing efficient legal structures for financial institutions and companies across various sectors, with a comprehensive understanding of both the business landscape and the regulatory environment.

### *Studies:*

- Postgraduate Degree in Business Law, Universidad de los Andes
- Law, Universidad del Rosario

She speaks Spanish and English.
