Profile

Alejandro has experience in constitutional law, administrative law, and strategic litigation, with a strong background in analyzing and resolving disputes related to fundamental rights, administrative acts, and judicial review of government actions. Experienced in drafting legal opinions, conducting evidentiary analysis, preparing judicial decisions, and responding to complex legal petitions. Has worked on matters involving human rights protection, constitutional actions, administrative due process, and institutional strengthening within the public sector. Additionally, has experience in legal research and academic analysis focused on constitutional remedies and the role of private actors in the protection of rights. Possesses more than four years of experience in highly demanding legal and institutional environments.

Studies:

- Law, Universidad de los Andes

He speaks Spanish and English.
