Profile

Miguel is a lawyer with experience since 2017, dedicated to the strategic resolution of complex disputes. His practice encompasses litigation before ordinary courts, administrative litigation, and both national and international arbitration, including class actions, annulment actions, proceedings before the Supreme Court, and writs for the protection of constitutional rights. He has advised clients on significant disputes in key industries such as construction and port operations.

Studies:

- Master's Degree in administrative law, Universidad del Rosario.
- Law, Universidad del Rosario.

He speaks Spanish and English.
