Profile

Xiomara Cruz is a Cum Laude graduate in Law from Universidad de los Andes, with complementary training in Political Science. She is part of the Intellectual Property Practice Group, with a focus on copyright and trademark protection. She has experience in defending trademark rights, analyzing risks associated with third-party use of trademarks, and providing support in the registration processes of distinctive signs and patents before the Superintendence of Industry and Commerce (SIC).

Studies:

- Law, Universidad de Los Andes

She speaks Spanish and English.
