### Profile

María Alejandra has over a year of professional experience in litigation, focusing her practice on civil, commercial, administrative, and insolvency matters. She has worked in both the public and private sectors on dispute resolution and constitutional actions, and has been involved in complex proceedings across the infrastructure, energy, financial, pharmaceutical, and telecommunications industries. Her experience includes representing clients before the ordinary courts, the administrative jurisdiction, the Superintendence of Companies, and the Superintendence of Industry and Commerce.

### *Studies:*

- Law, Universidad del Norte

She speaks Spanish and English.
