Profile

Jacinto is a partner with over 14 years of experience, specializing in mergers and acquisitions, insurance and reinsurance, banking and finance, private equity, and capital markets. He has advised leading national and international clients across diverse industries in complex domestic and cross-border transactions, as well as on a broad range of regulatory matters.

His practice includes the structuring of joint ventures, tender offers, corporate reorganizations, leveraged buyouts, syndicated and warehouse financings, and private securities offerings, with a focus on innovative legal strategies and efficient execution in both regulated and unregulated sectors. In the insurance sector, he also provides regulatory advice on distribution structures and schemes, policy wording and coverage solutions, and interactions with regulatory authorities.

Studies:

- Master of Laws (LL.M.), University of Pennsylvania Law School, Philadelphia, Pennsylvania
- Business and Law Certificate, The Wharton School, University of Pennsylvania, Philadelphia
- Law degree (J.D. equivalent), Universidad Anáhuac México Norte, Mexico City

His working languages are Spanish and English.

Experience

Jacinto serves as secretary or alternate secretary on the boards of directors of several prominent Mexican companies, advising on corporate governance, regulatory compliance, and transactional matters across various sectors.

His international experience includes working as an associate at Latham & Watkins LLP in New York.

Jacinto has cultivated deep expertise in the structuring and negotiation of "warehouse" financing facilities in Mexico, representing both international funds and domestic borrowers. His work in this area has supported the rapid growth of the Fintech sector, where he has handled sophisticated financing solutions involving innovative asset-backed structures and regulatory considerations.

Additionally, he has been involved in matters related to the insurance industry, complementing his expertise in financial and corporate law with the analysis of regulatory and transactional issues in this sector.
