11000 Ciudad de México

### Profile

Georgina Zavala is an associate in the Environment, Agrarian and Social Impact, Health Sciences and Health Regulation area. She has vast experience in advising clients during the procedures for obtaining authorizations, concessions, licenses and permits, as well as in defending these within administrative procedures, as well as the filing of annulment lawsuits filed before local authorities and federal bodies, such as the National Commission of National Waters and the Federal Court of Administrative Justice. Her experience includes advising clients in the automotive industry, especially regarding the certifications that must be met based on the Official Mexican Standards related to atmospheric emissions, safety devices, as well as the regulation of the transportation of auto parts in Mexico. She has participated in various mining-related transactions, such as operations for the transfer of mining titles, including oversight of compliance matters.

### Studies:

- Diploma in Carbon Markets: Advanced Level, awarded by the National Association of the Chemical Industry (ANIQ), the Mexican Carbon Platform (MEXICO2) and The Carbon Trust.
- Diploma in Digital Economy, International Chamber of Commerce Mexico (ICC México) and the Escuela Libre de Derecho, Mexico City
- Master in Administrative Law, Universidad Panamericana, Mexico City
- Diploma in Business Compliance, taught by the Universidad Panamericana
- Law degree (J.D. equivalent), Universidad Iberoamericana, Mexico City

Her working languages are Spanish and English.

### Experience

She is an expert lawyer in compliance with regulations in relation to products (especially electronic and electrical items), supporting clients in the process of importing marketing products, ensuring that they comply with applicable regulations, thus avoiding, any potential procedures or sanctions from both the Federal Consumer Protection Agency and customs authorities. Georgina is a key player in the growth of the Health Sciences practice.
