Profile

Andrea is an associate at the firm with experience in various legal practice areas, including Environmental Law, Agricultural Law, Social Impact, Life Sciences, and Health Regulation. Her focus is on providing guidance to clients in administrative processes for obtaining authorizations, concessions, licenses, and permits related to their operations in environmental and health matters before government authorities at the local, state, and federal levels in Mexico.

Studies:

- Law degree with Academic Excellence (J.D. equivalent), Universidad Iberoamericana, Mexico City

Her working languages are Spanish and English.

Experience

Specializing in the design of defense strategies, Andrea is dedicated to ensuring compliance and validation of authorizations, permits, and licenses for projects, including those with social considerations. Additionally, she has experience in managing procedures related to properties of public domain, such as the Federal Maritime Terrestrial Zone and Lands Gained from the Sea, as well as in processes for the disincorporation of national assets.

Andrea is also skillful across dispute resolution, including civil, commercial, and administrative litigation, as well as in foreign trade matters. She holds a law degree from Universidad Iberoamericana in Mexico City.
