Practices and Sectors

- Corporate Compliance
- Data Protection, AI Regulation and Cybersecurity
- Infrastructure Projects
- Life Sciences
- Public Law
- Public Procurement
- Telecommunications

Profile

Willy Pedreschi specialises in administrative and public law, public procurement, infrastructure, telecommunications, energy, public-private partnerships and activities subject to sector-specific regulation, such as healthcare, education, transport, regulated industries, construction and services. He also advises both private and public sector organisations.

Studies:

- Completed Graduate Studies in Regulation, Universidad Peruana de Ciencias Aplicadas (2011).
- Lawyer, Pontificia Universidad Católica del Perú (2000).

He speaks Spanish and English.

Experience

Willy's experience includes administrative law, public procurement, infrastructure, telecommunications, energy and public-private partnerships. He also has extensive experience advising private-sector and public-sector entities on activities subject to sector-specific regulation. Prior to joining the firm, he spent more than 15 years leading teams and heading the administrative and public law practice at another leading law firm in Perú.

Academic and Publishing Collaborations

He has served as a professor at the Faculty of Law of the Pontificia Universidad Católica del Perú. He is also the author of various articles published in legal journals and frequently participates as a speaker at academic events in his areas of expertise.

Publications

- "The Application of Graduality in the Imposition of Administrative Sanctions in Government Procurement under the Consolidated Text of Law No. 30225, Government Procurement Law, and its Regulations."
