Av. José Larco 1301, Miraflores
15074 Lima

Profile

Her practice focuses on legal advice related to land management for infrastructure projects, with an emphasis on evaluating property-related matters, resolving legal and physical issues regarding properties, reviewing title documents, and acquiring real property rights.

Daniela has experience in real estate, administrative, and corporate law; her work includes investment project development and real estate asset management.

Studies:

- Lawyer, Universidad de Piura (2025).

Her working languages are Spanish and English.

Experience

Has participated in real estate due diligence processes, the acquisition and regularization of assets, as well as in the negotiation and implementation of land access mechanisms, and in the drafting and review of contracts related to the development of investment projects. She has also been involved in proceedings with administrative and registration authorities, assessing legal risks and proposing strategies for the feasibility and execution of obtaining and exercising rights over real estate.

Before joining the firm, she worked as an in-house counsel for a major Peruvian business group with a national and international presence.

Professional Organisations

- International Bar Association (IBA).
