Profile

Heilyn Verastegui joined the Firm in 2026 as an Associate. Her professional practice focuses on providing tax advisory and consulting services to Peruvian and foreign companies, analyzing the tax aspects applicable to their investments and business operations. In particular, she has advised companies in the financial, infrastructure, and betting sectors, among others.

Studies:

- Bachelor of Laws, Pontificia Universidad Católica del Perú (2024).

Her working languages are Spanish and English.

Experience

Heilyn has developed her professional career in tax consulting since 2021, advising Peruvian and foreign companies on a broad range of tax matters of varying complexity.

Her professional practice includes advising clients throughout highly complex tax audit proceedings, as well as analyzing and assessing the tax implications of different business transactions. She has experience in the tax analysis of concession arrangements and in advising clients on procedures to access the Special Regime for Early Recovery of VAT.

She also has extensive experience in the tax analysis of transactions involving trusts and other business structures, assessing their main tax implications and providing specialized advice to clients throughout their implementation and development.

Previously, she worked in the tax consulting practices of three Big Four firms.

Academic and Publishing Collaborations

Extraordinary Member of the IUS ET VERITAS Civil Association, Pontificia Universidad Católica del Perú.
