- 1997 International Law Programme, Law Faculty of Universitat van Amsterdam

She speaks Spanish and English.

Experience

Guillermina Ester's practice is focused on civil, commercial and corporate litigation and arbitration. She advises and defends the interests of both national and international clients on complex pre-litigious and litigious matters (before tribunals of all instances and in arbitrations). Guillermina's practice covers a wide

range conflicts such as those arising from contractual disputes (relating to joint ventures, sale and purchase agreements, distribution, construction and EPC contracts, and price adjustments), corporate litigation (such as directors liability or shareholders disputes), unfair competition and banking litigation.

Academic and Publishing Collaborations

Guillermina lectures on litigation and arbitration for the Master's degree for Access to the Legal Profession at Universidad Carlos III de Madrid. She also regularly lectures on litigation and arbitration for various seminars and conferences.
