Profile

Antonio Huguet Soler has been the Manager of the Legal Tech and Digital Transformation area at Pérez-Llorca since 2025.

He has more than six years of experience in innovation, digital transformation and change management projects. His multidisciplinary background, integrating law, economics and technology allows him to develop innovative solutions aimed at operational efficiency and improving the client experience. His analytical approach allows him to measure the impact of each project in both qualitative and quantitative terms, ensuring real and measurable developments.

Studies:

- 2020 — Master's degree for Access to the Legal Profession, Universitat Oberta de Catalunya.
- 2018 — Degree in Law, Universidad de Navarra.
- 2018 — Degree in Business Administration, Universidad de Navarra.

He speaks Spanish and English.

Experience

His career has focused on the area of Legal Tech, innovation and transformation of the legal practice.

Prior to joining the firm, he gained experience in different strategic consulting firms, where he participated in process improvement and redesign initiatives, as well as in the creation of technological solutions adapted to the needs of different clients.
