Amendment to Article 29 of the INFONAVIT Law: Extension of the deadline for the calculation and payment of amortizations corresponding to the 6th two-month period of 2025

On November 10, 2025, the Institute of the National Housing Fund for Workers (*Instituto del Fondo Nacional de la Vivienda para los Trabajadores*) (“INFONAVIT” or “the Institute”), published a notice (the “Notice”) in the Official Gazette of the Federation (*Diario Oficial de la Federación*) (the “DOF”). The Notice announced an agreement granting an extension of time for employers to implement the system and administrative adjustments to comply with the amendment to Article 29 of the INFONAVIT Law, which was originally published in the DOF on February 21, 2025.

The Notice provides that salary withholdings for the payment of loans granted by the Institute must be applied starting in the sixth two-month period of 2025, which corresponds to November and December.

In this regard, we recommend promptly implementing the necessary adjustments, taking into consideration that the deadline for the payment of amortizations to INFONAVIT is January 17, 2026.

Pérez-Llorca México’s Social Security team is available to provide support with the proper operational implementation of the aforementioned amendment.
