A recent reform was brought about by Directive 2015/2436 of the European Parliament and of the Council of 16 December 2015, which aims to ensure coherence between the trademark laws of Member States (the 'Directive'), as well as Regulation 2015/2424 of the European Parliament and of the Council of 16 December 2015 which amended Council Regulation 207/2009 on the community trademark and Commission Regulation 2868/95 implementing Council Regulation 40/94 on the community trademark (the 'REUT').
